

People in **Action**

CARE & ADVICE • HELP & SUPPORT

For all your support needs

About Us

People in Action is a not-for-profit charity that provides care, advice and support for adults with learning difficulties.

We take pride in supporting individuals in need to live a meaningful life within their own community. Our person centred and individualised support is delivered by trained, professional and reliable staff.

Our History

Our story began in 1985 with a small office based in Nuneaton with only 9 employees. Since then, we have expanded working alongside multiple local authorities and now employ over 400 staff members and supporting over 200 adults.

Improving peoples' lives in our community by providing professional advice, care and support

Our goal is to maintain our customers' independence in their own home and community.

Our Services

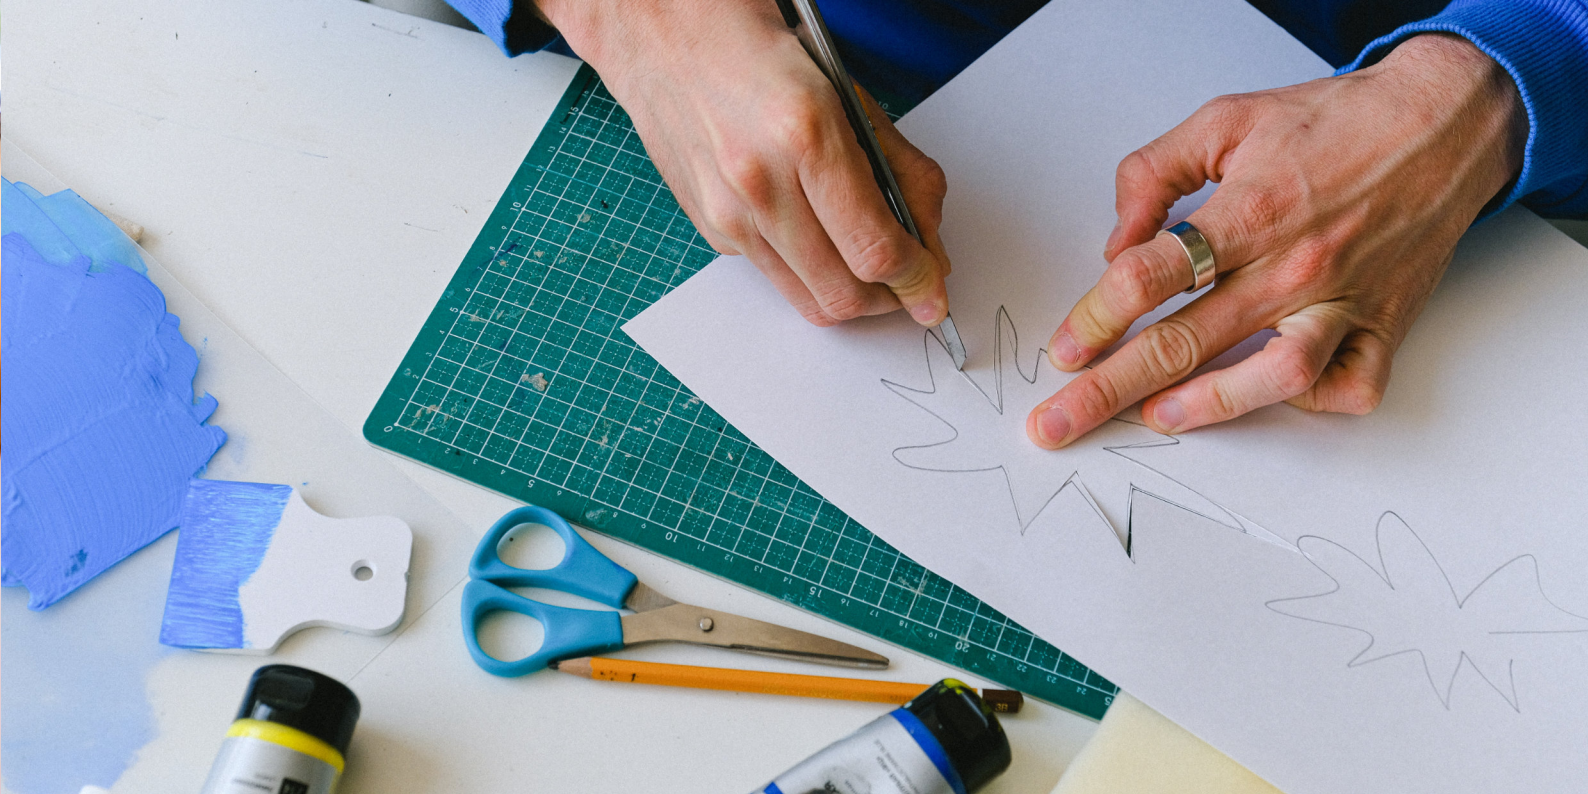

Whether you have a learning disability, are a parent, family member or a carer and looking for support, you can find out more about the services we offer below:

Our range of services includes:

- Day Opportunities
- Domiciliary Care
- Horticultural Therapy
- Residential Care (including an assessment centre)
- Supported Living

Simply call us for an informal chat and find out how we can help!

Why People in Action?

Since starting in 1985, our focus has always been on helping individuals to be as independent as possible, ensuring they are in control of their lives.

Working hand in hand with professionals and family members, we tailor our services based around the individual's needs with the aim of achieving all goals set.

We are rooted in Warwickshire and our connections within local communities increase the opportunities available to everyone supported by us in their local areas. Our aim is to support you all the way so you can achieve your potential and goals.

Day Opportunities

At our Head Office, we offer a wide range of Day Opportunities activities that are organised by our professional activity leaders who are keen to unearth our customers' talent in a friendly and supportive environment.

The sessions provide an opportunity to make new friends, learn new skills, pursue new hobbies and simply enjoy being part of a dynamic group.

Our enjoyable activities include:

- | | | | |
|-------------------|-------------|-----------|---------------------|
| ● Arts and Crafts | ● Karaoke | ● Drama | ● Bingo |
| ● Cake Decorating | ● Quiz Time | ● Pottery | ● Carnival Workshop |

Horticultural Therapy

People in Action have been a leading provider of Horticultural Therapy for over 25 years. We offer flexible day placements and individualised support for customers within a nurturing environment at our **Garden Projects**:

Bedworth Community Gardens Miners' Welfare Park, Bedworth, CV12 8JT **T:** 07825 080 500

Leasowes Garden Nursery Green Lane South, Finham, Coventry, CV3 6EG **T:** 02476 411 441

The sessions engage individuals in gardening and plant based activities, which help to ease stress, improve well-being and concentration, promote social interaction and stimulate the senses. We work either one-to-one or on a group basis, depending on your or your loved ones needs.

At our **Garden Projects** we also sell a wide range of plants, flowers and gardening accessories all year round, including seasonal items such as quality Christmas Trees and Hanging Baskets at competitive prices!

The Mayor's Cafe

As a charity, we invest in local projects to enhance the community, as well as offer inclusive opportunities for our customers.

In 2013 we fundraised, as part of the Mayor's Appeal, and built The Mayor's Cafe in our Bedworth Community Gardens. After opening in 2014, the cafe quickly became a place where the public can enjoy a delicious variety of vegetarian meals, drinks and snacks while enjoying the views of the park.

Training

We have a comprehensive training programme created by our in-house training team ensuring all support workers will become fully trained with the skills required in the role. It's important to us that all of our staff have the correct level of knowledge and understand the quality standards that we set at People in Action.

Our training programme includes:

- | | | |
|-------------------------------|---------------------|---------------------|
| • First Aid | • Health & Safety | • Fire Safety |
| • Safe Handling of Medication | • PRICE Training | • Infection Control |
| • Care Certificate | • Moving & Handling | • Fluid & Nutrition |
| • The Oliver McGowan | • Safe Guarding | • Food Hygiene |

Training provided is second to none! Prior to joining PIA I always worked within the NHS and the training provided by PIA left the NHS training something to be desired.

- Simon
