

People in Action

Day Opportunities

Sensory Room

Our multi sensory room is designed to stimulate and engage all of your senses within a calm environment.

About The Room

We designed the room to incorporate *an outdoor feel in an indoor setting*. The specifically chosen colours promote a *relaxing and harmonious* atmosphere for you to enjoy and **experience something new!**

Sensory Stimulating Activities

Our Sensory Room has a variety of features ranging from light up flooring, a grass wall, calming LED giant egg and much more.

The use of lighting, music and art in a garden like setting provides a good place to unwind, experiment and create your own experience.
